NUCKOLLS COUNTY FAIR

OPEN CLASS-GENERAL

New Limit: 2 Entries per class.

Only persons in Nuckolls county or members of Nuckolls County Family & Community Education Clubs will be eligible to exhibit in the Nuckolls County Fair.

Senior citizens over 65 can exercise the option of entering the separate class for Senior Citizens. There will be a separate class for those under 18 years of age, also.

Open Class Committee shall consist of the Executive Officers of the Family & Community Education Club Council.

While the greatest possible care will be exercised by the management to provide a safe environment, we are not responsible for any personal injury. The Open Class committee assumes no liability for loss or damage to any property of the concessionaire, or other causes. All possible care will be exercised in the handling and display of all entries, but no responsibility will be assumed for damage while on exhibit, in transit, or through circumstances beyond our control.

ENTRY

Entries will be accepted on SUNDAY, DURING THE FAIR, from 7:00 p.m.- 9:00 p.m. and MONDAY, from 8:00 a.m.-10:00 a.m.

Late entries will be ineligible to compete and will not be displayed.

Each exhibit will be identified with exhibitor's name, address, lot and class number.

Perishable items that show spoilage or deterioration will be disposed of during the fair. By doing this, the exhibits will be kept fresh and more attractive for the viewing public.

LIMITS

Two articles per exhibitor in any one class number.

Example: Lot A- Fruit and Vegetables;
Class 1- Red Potatoes: Exhibitors are limited to two plates of Red Potatoes.

The work must never have been previously entered at the fair.

IDENTIFICATION LABEL

To avoid lost or mis-placed items, a label with the exhibitor's name is suggested, but not required, to be attached to each separate piece of an exhibit, in case the items should be separated during judging. We are not responsible for lost items.

ENTRY TAG

Each exhibitor **MUST** fill out and attach an entry tag to each article prior to entry day. Tags are available from the Family & Community Education Club President, the Extension Office, or at the fair. This tag is used in Open Class Classes. Superintendents have the right to change exhibits to another class if a different class is more appropriate for an item.

RELEASE TIME & PREMIUM PAYOUT

Thursday @ 5:00 p.m.

Exhibits released early will not receive premiums.

ENTRY TAG INFORMATION

Entry tags are available at the Extension Office, from the Extension Club President, and at the fair. Separate entry forms must be used for entries in different departments. Each exhibit must have its own entry tag. Tags should be filled in before coming to the fair, using the following details:

1. Fill out one entry tag for each exhibit entered.

2. Print with an ink pen. Press hard. Check both tag copies to see that they are readable.
3. Your Name.
4. Your Address including town.
5. Lot Letter- A, B, C, etc.
6. Class Number- Such as Red Potatoes; Class #1.
7. Current year.
8. Do not fill in placing or premiums.
9. Attach entry tag and identification label to the exhibit and bring to the fair.

USE OF ENTRY TAGS AT THE FAIR

1. The exhibitors will take the exhibit and completed entry tag to the Superintendent in charge of the Lot which the item is to be entered.
2. The Superintendent will check the Lot and Class numbers. Make sure both copies are legible and the tag is attached securely to the article.
3. The Superintendent(s) will sort articles by classes.

JUDGING

Entry should be covered appropriately (with clear plastic) to be protected from elements, if you choose.

THE NUMBER OF ARTICLES ENTERED IN EACH CLASS HAS NO BEARING ON THE JUDGING.

In case of only one entry in a class number, the judge will determine the placing of the article upon its merit.

Articles for county fair competition must have been made in the past five years and must not have been exhibited at the Nuckolls County Fair previously. They must be the work of the exhibitor. If only a portion of the article is to be judged, write on the tag EXACTLY which part is to be judged. All textile articles should be clean and neatly pressed and must be finished.
